

NEWS BUSINESS ACHIEVER AWARDS

The Print Group WINS Business Achiever Award

What an evening it was! Everyone came dressed up and ready to have some fun. It all happened at Logan Entertainment Centre on 23rd July 2010. The Albert and Logan Business Achiever Awards Gala night proved to be a success this year again. The Print Group team (all 10 of us this year!) were there. Girls looked fabulous in their dresses and boys looked very smart. It all started with some pre-dinner drinks and then we were seated inside the Centre. Entrées and dinner were served while we were entertained by popular tunes from the 80's. Then the real fun started – announcements of awards in different categories: Health Care, Beauty Services, Real Estate, Tuition, Training & Children Services, to name a few.

We were getting anxious as time went on and our category was still to be called...and then it finally happened – the speakers announced Specialty Retailer and Services category. We all had our eyes glued to the front when we saw The Print Group's name come up on the screen before we heard it called out! It took couple of seconds to sink in...we are the winners!

Robert got up and called us all to follow him to the stage. He didn't even have a speech prepared! But it all came naturally, he thanked everyone for their efforts in bringing The Print Group to where it is now, and thanked especially his in-laws, without whom, he said, there would be no business. We continued partying till midnight until we were all exhausted.

We would like to once again thank everyone who supported us by nominating and voting for our business. It means a lot to be recognised as winners of an award that pays tribute to small businesses that demonstrate customer service excellence and innovation.
